

Here they are - the final results of all of our efforts. All of the trophies will be available at the banquet in January. I look forward to seeing as many of you as possible there. You'll enjoy the company of everyone you competed with throughout the year. If you haven't been to one of our banquets before, please consider going. We really do have a great time! And, it's a good opportunity to talk about what's in store for next year. Thank you to all of our Rallyemasters and Competitors for a great season. Barb
