

Susquehanna Region Sports Car Club of America

Sponsorship Information

2019 Motorsports Season

To whom it may concern:

The Susquehanna Region of the Sports Car Club of America is currently in the planning stages for our 2019 motorsports season and looking for some sponsors. Susquehanna Region holds both autocross and rallycross events in the south central Pennsylvania region, along with Tire Rack Street Survival and Road Rally events.

An autocross event, also known as Solo, is a driver's skill course where one competitor at a time drives his/her vehicle through a course mapped out by traffic cones. Events can be held anywhere in the Susquehanna Region where there is a large area of asphalt/concrete which would allow for a safe course design.

A rallycross event is similar to a solo event, but there is one big difference. Competitors still drive one at a time through a course mapped out by traffic cones, but the events take place on dirt lots instead of asphalt.

We have had events in the past at places like Hershey Park, Farm Show Complex in Harrisburg, The Giant Center in Hershey, and Park City Mall in Lancaster and we're currently on the hunt for more venues.

The 2018 motorsports season saw **more than 650 unique drivers across the autocross and rallycross events combined**. Besides the drivers, these events also attract many spectators as we hold our events in high visibility locations. Whether someone is driving or spectating, it ends up being a fun and family friendly day for everyone.

By sponsoring the region, your company will benefit greatly from the advertising that our club offers. Some advertising methods offered are web page and social media representation, T-shirts, and/or banners. We are also open to other benefits that may work better for your individual business, so just ask! Attached is a list of the Sponsorship Benefit Packages as well as an overview of club demographics for reference.

I would really like to thank you for your time, and the Susquehanna Region of the SCCA and I would greatly appreciate your sponsorship. If you have any questions regarding the above mentioned request, feel free to contact me personally at kpoole@scca-susq.com.

Sincerely,
Kristen Poole
Regional Executive
Susquehanna Region SCCA

Overview

National SCCA

The Sports Car Club of America was formed February 6, 1944, by seven men who had a passion for sports cars and enjoying them. The purpose of the club was, and continues to be:

- The encouragement of motorsport
- Ownership and operation of sports cars
- To provide and regulate events and exhibitions for sports cars and their owners
- To encourage careful and skillful driving on public highways

Per SCCA bylaws, the purpose of the club is to promote interest in sports cars and other fine automobiles and to encourage their safe and skillful operation by:

- A. Developing, arranging and regulating closed circuit road racing, rallying, and other forms of automotive competition
- B. Dissemination of information through news releases and Club publications and through related social recreation activities for the instruction and enjoyment of its members.

SCCA is a not-for-profit organization which holds more than 2,000 amateur and professional motorsports events each year. A total of 116 regions make up the SCCA, which is headquartered in Topeka, Kansas.

35-39	6.4%	7.8%
40-49	15.7%	16.9%
50-59	20.7%	15.3%
60+	24.2%	27.3%

Susquehanna Region

We are a group of sports car enthusiasts; autocrossers, rallycrossers, hill climbers, road racers, vintage racers, and auto-racing professionals – but only on the weekends. Over the course of a season we see approximately 500 different competitors at an average of 18 total events, with contestants coming from as far as Massachusetts, New Hampshire, Delaware, New York, New Jersey, Ohio, Maryland, Virginia and West Virginia.

Over the last several years, we have greatly increased our web presence via our updated website at www.scca-susq.com. We also have a well-established mailing list of 650+ and two well-maintained Facebook Groups for members. Sponsors have the opportunity to provide contact information and business logos for placement on our website, in our newsletters and other email communications, and access to our Facebook group to announce promotions that would be relevant to our membership.
